

NATIVE AMERICAN SCHOLAR IN RESIDENCE PROGRAM 2022

Introduction:

Crow Canyon Archaeological Center is pleased to announce the 2022 Native American Scholar in Residence Program. Scholars will reside on Crow Canyon's campus for six nights with the purpose of providing cultural knowledge, perspectives, and insights to existing curricula for student and adult participants from across the nation. This program will facilitate the development of a more holistic understanding of modern and past Native cultures, trust relations, Native perspectives and interpretations in the disciplines of archaeology, anthropology, education, and American Indian studies.

How It Works:

The scholar in residence will participate in field and laboratory activities, classroom teaching (indoor and outdoor), evening program delivery, and brown-bag lunch seminars during the designated program week to facilitate direct interactions with students. The scholar will work with program staff to develop any additional curricula activities—such as field trips, home/community visits, demonstrations, service learning projects, etc.—that will enhance program delivery and experiential learning.

Crow Canyon offers the scholar housing in a modern home, consisting of a living room, kitchen, two bedrooms, bath, and a private, enclosed yard. The scholar will have access to a computer and Internet service and, except for long distance calls, Crow Canyon will pay utilities. Breakfast, lunch, and dinner will be provided from Sunday night through Saturday morning. Additionally, a travel stipend of up to \$300.00 (with receipts) and honorarium of \$1,200.00 (\$200.00 per day for six days) will be awarded.

How to Apply:

Individuals interested in this program will submit an application—including a letter of interest, bio with photo, and a current CV or resume—by April 1st, 2022. Application materials should be sent directly to Dr. Susan Ryan, sryan@crowcanyon.org.
